

KALA KAMDAR, MD  
CLASS OF 1992

Dr. Kamdar, a 1992 graduate of Seneca High School, graduated from the University of Louisville Medical School in 2000. Her Internship and Residency were in Internal Medicine/ Pediatrics at the University of Cincinnati School of Medicine. In 2008 she held a Fellowship from Baylor College of Medicine.

Currently, Kala is the Associate Director of the Clinical Division, At Texas Childrens' Hospital in Houston, Texas, and Co-Director of its Lymphoma Program. She also serves as Assistant Professor of Pediatrics-Oncology at the Baylor College of Medicine.

Dr. Kamdar's principal research interest is in the prevention of long-term complications of childhood cancer therapies. Ultimately, identification of children at risk for long-term toxicities may lead to modification of treatment regimens or other interventions to minimize these complications.
